

~~May~~ June 24

The Geological Hiking Club held their monthly meeting at Fort Landon Picnic area - members and 2 guest hikers were present
It was a sandwich - meeting but most had eaten or brought a Ho-dee's -

It was decided just to plan any Hikes in July or August as the weather would be too hot

A short meeting - The July meeting will be at Bobbie + Round Tops - a cost out =

Bobbie will supply the food - we will reimburse something!

The meeting ended and several decided to take a short Hike -
