

Jan 27th

The Sequoyah Hills Club held its monthly meeting Nov. 25th.

7 members attended. We announced that Wednesdays was not so agreeable to hike but anyone wishing to go - arrangements would be made for a hike.

We had said just look for continuing to do community service - adopt a trail - we would ask Don Jones to help us with this also to inform folks of the River Cleanup. We could have a buddy or friend to help us.

We discussed & control our safety when a group travels.

How do we go about adopt part of the highway?

Check on Joyce Baker - Hiwasse Club to educate us - in adopting a section of the highway - 745-9173 We need to give valuable info on trails we're lead - moderate difficult - easy - streams to cross steep - rocky or not - clothes to wear

Our April program will have
Dr. Howe to speak on the
John Muir - Trail.

The meeting in Dec. it was
~~advice~~ agreed upon -

Your meeting will be
on 27th at Stefanos.

Officers will be elected
