As the meeting was about to start, we received a phone call from Betty Cather. Betty was a founding member and was instrumental in starting the club.

Johanna Cooley, the treasurer, reported that we had a balance in the treasury of \$186.14.

We have received a thank you note from Hiwassee College for the gift the club sent to the Betty Cather Nursing Lab Fund at Hiwassee College.

FUTURE PROGRAMS

Brian Harrill, president, and Paul Gamble will check with U. S. Forest Service about Forest Service personal presenting a program for us concerning the possibility of Sequoyah Hiking Club doing maintenance work on a trail in the Tellico District of the Cherokee National Forest. We would like to know if there is a trail we could help maintain and if so how we can go about starting such a project.
