Christmas Party

Dues Time Is Here

The Sequoyah Hiking Club s annual Christmas party was held at Bill and Marcia Long s home in Sweetwater on Tuesday, December 17th.

The club furnished the meat and members brought covered dishes. The result was a scrumptious meal that could not have been better.

We were entertained by Sheila Holbo and Pat Sherman s group of dulcimer players who played many tunes including Christmas carols. Their presentation of dulcimer music was both appreciated and enjoyed.

Those who attended were Marcia and Bill Long, Carson Daugherty, Mildred Lane, Betty Maxwell (Marcia s mother), Marie Henry, Jane Frerichs, Faye Daniel, Johanna Cooley, Barbara Penland, Joe Penland, Anna Lee Jones, Tom Burris, Ross Burrus, Ruby Anderson Stehr, Lee Roy and Mary Ruth Holt, Liz Yates, Gail Henley, Richard and Bettye Spurling, Freda and Houston Lowry, Ken and Pat* Sherman, Ed and Sandy Moss*, J. D. Jones, Connie Harris*, Iris La Fave*, Angela Sanabia*, Rod Landry*, Sheila Holbo*, and Helen Clutter*.

Pictures were made at the party, but the prints are not available in time for this issue. Perhaps they will be ready for next month s *Footsteps*. We expect to have some good

The New Year is here; the treasury is bare and hungry.

Dues are payable in January for 2003. Dues are \$12.00 for the year. This includes a monthly newsletter (unless the editor decides to take a month s vacation sometime during the year).

The newsletter, *Footsteps*, will contain dates of future events and hikes, a summary of hikes already taken, a report of meetings, and other items thought to be of interest to hikers. An attempt is made to use pictures of hikes and hikers when possible.

Faye Daniel, Paul Gamble, and sometimes others prepare reports and items to put in the newsletter. Articles for *Footsteps* are welcomed as are pictures. These will be used when they are needed and as space in the newsletter is available. The articles probably will be edited and/or condensed to fit the available space. The pictures used will depend on how clear they are after being scanned into the newsletter.

Controversial items cannot be included especially if they

January Footsteps

The January issue of *Footsteps* is abbreviated because of no hikes in December, and so it is just 2 pages long rather than trying to fill 4 pages with nothing. The February newsletter will return to its larger size.

Calendar of Events

There are no hikes scheduled for January.

Monday, January 27 -

Monthly meeting at Bert's Home-town Grill at 7:00 PM. Come early to eat if you desire.

If there are hikes or events you would like in February, come to the meeting and suggest them at the meeting.

We hope to see you there!

*Sequoyah Hiking Club
wishes everyone a
Good New Year.*
